

Cuesta *QuickStart for Math*

Strengthen your Skills with Cuesta Quickstart's

FREE WORKSHOPS

June 20 - 30, 2017

Will you be taking Arithmetic, Pre-Algebra, Elementary Algebra or Intermediate Algebra at Cuesta? If you are starting at Cuesta and you already took and passed the class in high school OR you are a current or re-entry student who hasn't taken a math class in 2 years or more, QuickStart is for You! Refresh and strengthen your skills, and new students can even assess into a higher level of math!

Why should you do this?

- Personally tailored self-paced computer-based program
- Easy, FREE online registration
- Faculty, staff and tutors present to support you
- New students reassess and could start at a higher level of Math

Committing to only eight sessions could save you one or more semesters of work, time and money!
