Friday Evening • 30 Year Celebration, 6-9pm

Cuesta College Cultural & Performing Arts Center

This event is produced in partnership with the Foundation for the San Luis Obispo County Public Libraries

Encouraging Writers to Write, Publishers to Publish, Readers to Read

Anne Perry teams with author and editor Victoria Zackheim. Together, they will ponder how to Put Your Heart on the Page, silencing that inner voice that censors what we do or think. Their goal is to empower readers and writers with the courage and confidence to not only do battle with those demons...but actually slay them, thereby enriching their daily lives and careers.
