

Cultural Center Goals/Student Learning Outcomes

SLO #1

Students will employ cross-cultural communication skills in their daily interactions

SLO #2

Students will be able to recognize the unique heritages, experiences, and values of others

SLO#3

Students will learn to identify and examine their own heritage, experiences and values.

SLO#4

Students will participate in cultural events and come to appreciate the role they can play in expanding their worldview.

SLO #5

Students will identify ways to function as an ally/advocate for underrepresented populations.

SLO #6

Students will gain awareness of and learn to evaluate global, national and local diversity related issues.
