TRANSFER TO THE UNIVERSITY OF CALIFORNIA (UC) SYSTEM

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)
TRANSFER TO THE
CALIFORNIA STATE
UNIVERSITY (CSU) SYSTEM

Cuesta College offers courses to meet lower division (freshman and sophomore) General Education requirements for transfer to universities and colleges both public and private. For specific majors, consult the appropriate four-year catalog. Cuesta College Counseling Services will provide additional information in planning a specific freshman and sophomore year program for students. The California State University (CSU) General Education pattern is subject to change. Students are advised to check with Counseling Services.

GENERAL EDUCATION BREADTH PATTERN
FOR THE CSU SYSTEM

To obtain a bachelor's degree from the CSU system, a student must complete a minimum of 48 term credits of General Education courses, nine of which must be upper division credits.

Cuesta College may certify a maximum of thirty-nine (39) credits as having fulfilled the CSU lower division General Education requirements. No more than thirty (30) term credits may be certified for areas B through D combined. It is required that the students complete all of Area A and B3 with grades of "C" or better prior to transfer. A class taken at another accredited institution may be included in Cuesta College's certification if the class would have been certified at the other institution. At Cuesta College, ASSIST is used to provide accurate data about articulation agreements, thus reducing the possibility of students receiving incorrect information. Visit ASSIST at http://www.assist.org.

GENERAL EDUCATION CERTIFICATION

Applications for General Education certifications can be obtained in the Admissions and Records Office. To be fully certified, students must complete 9 credits in each area of A, B, C, and D, and 3 credits in area E.

DISTRIBUTION OF COURSES

The following courses are applicable to the General Education requirements that may be certified by Cuesta College. They must be distributed as follows (P = course prerequisite).

ADMISSION AS A TRANSFER STUDENT TO THE CSU SYSTEM

Admission as a transfer student to a CSU campus is subject to change. Check with Counseling Services for confirmation.

A student will qualify for admission as a transfer student if the student has a grade point average of 2.0 or better in all transferable credits attempted, was in good standing at the last college attended, and meets the following standards:

1. Was eligible as a freshman, or
2. Was eligible as a freshman except for the college preparatory subjects in English and mathematics and has satisfied the subject deficiencies, or
3. Has completed sixty (60) transferable term credits and has satisfied any deficiencies in college preparatory English and mathematics (non-residents must have a grade point average of 2.4 or better).

The CSU campuses are:

Bakersfield
Cal Poly Pomona
Cal Poly San Luis Obispo
Channel Islands
Chico
Domínguez Hills
California Maritime Academy
Fresno
Fullerton
East Bay (formerly Hayward)
Humboldt
Long Beach
Los Angeles

TRANSFER TO THE UNIVERSITY OF CALIFORNIA (UC) SYSTEM

ADMISSION AS A RESIDENT STUDENT TO THE UNIVERSITY OF CALIFORNIA

Course requirements vary from one UC campus to the next. Therefore, students should work with a counselor to first select a particular UC campus to formulate a strategy for completing that campus’ admissions requirements, major requirements, and general education requirements. Students should consult the catalog of the UC campus of their choice to find out specific details regarding transfer, major, and breadth requirements.

Students in this category must:

A. Complete 60 term credits or 90 quarter units of transferable college course work with a grade point average of at least 2.40, and

B. Complete a course pattern requirement (with at least a “C” grade in each course) to include:
   • 1. Two transferable college courses (3 term or 4-5 quarter credits each) in English composition: English 201A and English 201C; and
   • 2. One transferable college course (3 term or 4-5 quarter credits) in Mathematical Concepts and Quantitative Reasoning; and
   • 3. Four transferable college courses (3 term or 4-5 quarter credits each) chosen from at least two of the following subject areas: Arts and Humanities; Social and Behavior Sciences; or Physical and Biological Sciences. The Intersegmental General Education Transfer Curriculum (IGETC) will satisfy the above new requirements.

Students who did not satisfy the Subject Requirement based on their high school record must take transferable college courses in the subjects they are missing, earn a grade of “C” or better in each course, and earn an overall “C” (2.00) average in all transferable college course work.

Students who met the Subject and Scholarship Requirements from high school, but who did not meet the Examination Requirement (SAT/ACT), must complete a minimum of 12 term (18 quarter) credits of transferable work and earn an overall “C” (2.00) average in all transferable college course work. Students need not take the examinations required of freshmen.

The UC campuses are:

UC Berkeley
UC Santa Barbara
UC Davis
UC Santa Cruz
UC Irvine
UC San Francisco (graduate only)
UC Los Angeles
UC Merced
UC Riverside
UC San Diego

Students are advised to contact a Cuesta counselor regarding changes to the UC admissions requirements, changes to the Intersegmental General Education Transfer Curriculum (IGETC) pattern, and changes to the “pass-along” policy.

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division, general education courses to satisfy campus general education requirements. The course requirements for all areas must be completed before IGETC can be certified. Applications for IGETC certification are available in the Admissions and Records Office. Official transcripts must be on file before applying for IGETC certification. UC transfers must complete all subject areas prior to transferring to the UC system.

IGETC policy is subject to change and it is the student’s responsibility to check with Counseling Services and the Transfer/Career Center regarding the current status of IGETC. Cuesta College will “pass along” coursework from other accredited colleges excluding UCs. See Counseling Services for details. For updates to the IGETC list visit the ASSIST web site at http://www.assist.org.

All courses must be completed with grades of “C” or better.

1 Indicates courses that may be counted in one area only.
2 Indicates that transfer credit may be limited by either UC or CSU or both. Consult with a counselor for additional information.
3 Designates courses with a laboratory.
4 Designates course has a prerequisite.
