

16 Week Calendar Steering Committee Notes: Agenda 12

Agenda #12:

1. Review classroom schedule
2. Discussion of draft schedule grid and scheduling table
3. Next Steps

Meeting #11 Notes

Continued discussion and consideration of draft schedule grid and scheduling table.

Jacqui agreed to draft a classroom schedule for the group to review.

Impact to EMT and paramedic programs discussed.

General support shared for college hour on twice a week schedule.

Parking Lot:

Interest in moving draft schedule grid and table to Chairs for review

Bret noted Cal Poly moving to 14 + 1 schedule and requested start and end dates

Request for count of sections of each type of schedule offering (included in scheduling recommendation)

Noted there are potential complications in automotive technology for lab space

Request for calculation of 16 week schedule productivity based on regulation change.

Academic Calendar Subgroup to consider governance schedule, summer schedule, and Flex required to reach 16.8 term length multiplier.
