16 Week Calendar Steering Committee Notes: Agenda 7

Agenda #7:
1. ==Cal Poly Update==

2. Reports from subgroups
   a. Schedule Grid & Scheduling Table recommendation
   b. ==Curriculum Scan==
2. Parking Lot
3. Other

Meeting #6 Notes

Scheduling Grid and Scheduling Table – no update

Educational Implications – no update

Curriculum Scan noted that they are meeting soon.

Parking Lot:

Bret noted Cal Poly moving to 14 + 1 schedule and requested start and end dates

Request for count of sections of each type of schedule offering (included in scheduling recommendation)

Noted there are complications in ==**automotive technology**== for lab space

Request for calculation of 16 week schedule productivity based on regulation change.

Academic Calendar Subgroup to consider governance schedule, summer schedule, and Flex required to reach 16.8 term length multiplier.
