## ***California Ed Code 78016***

Every vocational or occupational training program offered by a community college district shall be reviewed every two years by the governing board of the district to ensure that each program, as demonstrated by the California Occupational Information System, including the State-Local Cooperative Labor Market Information Program established in Section 10533 of the Unemployment Insurance Code, or if this program is not available in the labor market area, other available sources of labor market information, does all of the following:

1. Meets a documented labor market demand.
  2. Does not represent unnecessary duplication of other manpower training programs in the area.
  3. Is of demonstrated effectiveness as measured by the employment and completion success of its students.
- A. Any program that does not meet the requirements of subdivision (A) and the standards promulgated by the governing board shall be terminated within one year.
  - B. The review process required by this section shall include the review and comments by the local Private Industry Council established pursuant to Division 8 (commencing with Section 15000) of the Unemployment Insurance Code, which review and comments shall occur prior to any decision by the appropriate governing body.
  - C. This section shall apply to each program commenced subsequent to July 28, 1983.
  - D. A written summary of the findings of each review shall be made available to the public.

**NARRATIVE:** Review your CTE program according to the following three prompts with analysis of data provided by the State: <http://www.labormarketinfo.edd.ca.gov/>.

If assistance is needed to retrieve data, please contact the Dean of Instruction for Health, Workforce and Kinesiology.

Provide a written summary for each prompt. If yes, explain why and/or how. If no, explain why.

**I. Meets a documented labor market demand, <http://www.labormarketinfo.edd.ca.gov/>.**

Construction is a very high demand field right now and will have it ups and downs but is projected to be strong through 2028. The EDD projects Mining, Logging, and Construction employment in San Luis Obispo County will increase by 11.4% up to 2028, adding and additional 900 jobs through 2028.

**II. Does not represent unnecessary duplication of other manpower training programs in the area.**

There are no other facilities in the county that offer the scope of training that is offered at Cuesta College.

**III. Is of demonstrated effectiveness as measured by the employment and completion success of its students,**
